

2026 Sharks Volunteer Policy

- **12 volunteer hours** required per family
 - **\$300 volunteer deposit check collected** at registration and returned after hours are completed
 - **Maximum of 4 hours** may be fulfilled at **social events**
 - **2 hours required at Championship Meet** and/or Awards Banquet
 - All volunteers must be **16 years or older**
 - Volunteer sign-ups through **TeamSnap**
-

The Shark Swim Team is proudly organized and run by volunteers. Parental involvement is essential to a successful season, and we appreciate the support of all our Shark families. Our families are the backbone of this program and we rely on their help to run safe and successful meets.

Volunteer Requirement

Each family is required to complete **12 volunteer hours during the season**. A \$300 volunteer check will be collected at registration and returned once all required hours are completed. If completing 12 hours is not attainable, please contact the Volunteer Coordinator or Team Managers as soon as possible.

Social Event Hours

A **maximum of 4 volunteer hours** may be completed at social events. Remaining hours must be fulfilled at swim meets or required team events.

Championship Meet & Awards Banquet

2 of the 12 required volunteer hours must be completed at the Championship Meet and/or Awards Banquet. These events require additional volunteer support.

Volunteer Sign-Ups

All volunteer sign-ups will be managed through **TeamSnap**, accessible via the team website and email notifications. Please do not sign up for overlapping positions. Family members may volunteer in different roles at the same time. All volunteers must be 16 years of age or older.

At the Meet

Volunteer Coordinators will be present to assist with assignments and questions. If you are new to a role, please arrive a few minutes early for instructions. Flexibility is appreciated, as last-minute changes may occur.

Getting More Involved

Parents interested in a more involved role are encouraged to contact the Team Managers.

Thank you for supporting the Sharks and helping make this a fun and successful season for our swimmers.
